

INNOVATIVE INSTRUCTION

international education @ the **cottage**

Choosing your options for
HomeSchooling

We offer a safe space to study the following curriculum options

International American curriculum

South African CAPS curriculum

British international Curriculum

Choose your pathway

International American curriculum

- This curriculum works directly through our portal and curriculum fees are dependent upon year of study.
- Grade K – 8 studies the same subjects
- Grade 9 – 12 you can choose to do a GED or an American High school certificate
- Please also see brochure attached to explain better

South African CAPS curriculum

- Please visit www.thinkdigitalacademy.org for more information
- Each year and type have their own fees on the platform as well as a breakdown of what it entails
- We charge a hub fee. This fee is inclusive of use of facilities, assistance, printing, internet etc costs

British international curriculum

- Please visit www.thinkdigitalacademy.org for more information
- Each year and type have their own fees on the platform as well as a breakdown of what it entails
